To qualify for the 2% PEX Vendor Virtual Visa® Card ("Vendor Card") Rebate Promotion, customers must open and spend a minimum of \$1.00 on a Vendor Card between May 1st, 2024, and September 30, 2024.

- Customers who fulfill all obligations in these Terms and Conditions ("Qualifying Customers") will receive a monthly statement credit ("Rebate") equal to 2.00% of all qualifying purchases.
- The Rebate for a calendar month will be posted to the Qualifying Customer's Account within 30 days after the end of the promotional period.
- Any spend put on Vendor Cards that were created before May 1st, 2024 will not be eligible for the additional Rebate.
- Purchases made outside of the US and non-Visa network transactions do not qualify for this Rebate. The following are not qualifying transactions and will not be eligible for a Rebate: chargebacks and reversals, items returned for credit, disputed or unauthorized purchases, fraudulent transactions, any cash or cash-like transactions, fees, and charges. We may determine that a transaction is excluded from eligibility for earning a Rebate in our sole discretion at any time. - Rebates will be capped at \$2,000 max for eligible spend during the promotion period.
- If Customer's Account is closed for any reason or is not in good standing during the calendar month or in the next subsequent calendar month after a Rebate is earned, Customer will not earn a Rebate. If PEX sees evidence of fraud, misuse, abuse, or suspicious activity, as determined by us in our sole discretion, we reserve the right to take action. This may include, without limitation and prior notice, any or all of the following: canceling any accrued but unpaid Rebate; reversing any prior Rebate credit made; taking legal action to recover any Rebate made in connection with such activity, including without limitation to recover our monetary losses, any litigation costs and fees, and damages.
